(Signed) _____
Secretary

Date _____
President

Detach here and return with the Convention Registration

CONVENTION DELEGATES

WHAT IS A DELEGATE??? WHY DO WE HAVE DELEGATES???

Each KIWIN'S club is entitled to select to delegates to represent the Club at Nominating Conference and House of Delegates. These delegates will be voting to select the leaders of the District during 2019-2020. The Nominating Conference is held on Friday evening, the House of Delegates on Saturday afternoon.

The Certificate of Election above should be completed and sent to the District Office with the Convention Registration information. This card certifies that the persons named have been selected as delegates by the Club. At Convention Registration there will be a Delegate Registration table where each Delegate will be issued a Delegate Ribbon. Alternates will not be registered unless the Delegate certified is unable to attend the Convention.

If the club fails to submit the Certification form early, the Delegates may still register at the Convention but the Advisor must accompany them to the Registration to verify that they are the certified Delegates.

Delegates should represent the views of their Club members when considering which candidate to vote for. It is clearly important for all persons, especially Delegates, to attend the caucuses.
