WHAT IS A CONVENTION DELEGATE? WHY DO WE HAVE DELEGATES?

Each KIWIN'S club is entitled to select two delegates to represent the club at the Nominating Conference and the House of Delegates. These delegates will be voting to elect the executive officers of the District for the 2024-2025 term. The Nominating Conference is held on Friday evening, the House of Delegates on Saturday afternoon.

This page certifies that the persons named have been selected as delegates by the club. At the delegate registration table, each delegate will be issued a delegate ribbon. Alternates will not be registered unless the certified delegate is unable to attend the convention.

If the club fails to submit the certification form early, the delegates may still register at the convention. To do so, the advisors must accompany them to the delegate registration table to verify that they are the certified delegates. Delegates should represent the views of their club members when considering which candidate to vote for. It is clearly important for all persons, especially delegates, to attend the caucuses.
